Experience

University of MN College of Science & Engineering | Minneapolis, MN

Developer: July 2019–current

Serve as frontend lead for cse.umn.edu. Implement new Drupal 8 base theme, overhaul file structure, and refactor components to improve consistency, maintainability, usability, and WCAG compliance. Design and build new features and troubleshoot issues in existing components.

DevMode, Inc. | Minneapolis, MN

Software Engineer: July 2018–January 2019

Develop user-friendly database-driven web applications. Build custom components using modern Javascript including React and Redux for maintainability and scalability. Present seamless user experiences across browsers and devices with modern, well-organized stylesheets.

Maje Media | Minneapolis, MN

Front End Developer: October 2017–January 2018

Conception, production, and development of the front end look, feel, and functionality of client websites, primarily using WordPress including custom fields, post types, page templates, and admin features. Upkeep and maintenance of client sites. Internal marketing and design services.

Pixel Farm | Minneapolis, MN

Design Intern: June 2017–September 2017

Conceptualize and design virtual reality projects, interactive experiences, and filmed advertisements.
